

Spruce Creek Fly Co

Guided fishing Trips and Packages

Your experience on the waters of central Pennsylvania with Spruce Creek Fly Company is just that - your experience. We want to make your day as memorable and enjoyable as possible. Our goal is to share the art of fly fishing, knowledge of entomology and successful techniques with our clients for the best day of fishing. In addition to hours of uninterrupted fishing on legendary waters, your Spruce Creek Fly Company guided experience includes a stream-side lunch break and a chance to sit back and enjoy some good conversation and take in the scenery of the lands around us. We work hard to ensure that our clients have an unforgettable day on the water. An experience on the streams of central Pennsylvania is one you will want to repeat again and again. We look forward to meeting you and showing you the waters of this incredible region.

“...It’s been a long road...Lucky for us we’ve been in the water!”
